Often, Stacy Michell teaches at the Original Sewing & Quilting Expo or the GA quilt show, but this year, due to a studio expansion, we decided to invite you here over the weekend to see our 6400 Sq Ft work space. It is not your typical quilt shop, it is where we dye the fabric, and get it all made! We will be open for the same hours as the GA Quilt show, and for another hour or show after the show.

Usually, we are a "Closed Door" business, with the perfect hard to find location for this. Find the AMC Marietta Lanes Bowling Alley, and we are behind it. We are located in an old factory with about 25 artist neighbors. The neighborhood grew up around this building. It can be accessed from about 5 driveways, but can not be seen from the road. If you see the sign for the building, you are on the south side of the building, and we are on the north side of the building.
